

HIM141 –IT Managed Services Company for Sale South East England

Executive Summary

Outstanding opportunity to acquire a well-positioned provider of fully managed IT services and solutions, based in South East England.

Established for over 20 years, the company has specialist team's providing IT support, Cloud Services and Solutions and Data Analytics to a portfolio of 28 public and private sector clients ranging from single site clients through to multiple sites across the UK, EMEA, USA and APAC.

The award winning company is highly accredited with all technology providers as well as having highly experienced key management and skilled engineering staff providing first, second and third line support.

The sale of the business offers an outstanding opportunity for another IT support, hosted services, technology or telecoms company looking for an easy strategic acquisition to add to their portfolio.
